Dear Sir / Madam

Re: Grenfell Tower Regeneration Project

Please find enclosed 'Notice Number 1' that formally advises you, as a person with a legal interest in Grenfell Tower, that a planning application has been submitted by Taylor Young on behalf of the Royal Borough of Kensington and Chelsea Tenant Management Organisation that affects the windows, ground floor doors, provision of a community room at ground floor and also the building crown at Grenfell Tower. This has come about as the detailed design has been worked up and elements have been reviewed and the update to the planning approval reflects the improved layouts and designs.

You will also be written to and / or a site notice(s) will be displayed that will show how detailed information can be viewed on the Council's website or at its offices.

Enclosed with this letter you will find a Notice issued under Article 11 of the application for planning permission.

Yours sincerely

Paul Dunkerton
Project Manager,
Assets & Regeneration Department
