Hi Jenny,

Thanks for the email. I do apologise for the delay in getting this to you. This time, and going forward I will make the request two or three days earlier than when the expenses cover. So your next expenses cover from 10th August for two weeks, and this should have been received today after 4pm. I will continue to do this so that we can ensure when you do not receive it there is a couple of days when we can resolve it.

If you have any further questions or if you do not receive it again please let me know and apologies for this.

Thanks,

Jessica Miller

Hi Jessica,

I hope you are well

I know there were some delays regarding the payments for our food allowance. As Zoe confirmed we did all eventually receive a payment at the end of last week, thank you for chasing that up.

I am aware this delay was not caused by you but would you please feedback the importance of us receiving these payments on time at the beginning of the week because we are totally dependant on these payments to buy our meals as the hotel food is of a very poor standard.

Thank you once again for your help.

Jenny, Zoe and Leah

Hello Jessica,

I hope you had a good weekend.

Last week neither me or Leah received the £300 food allowance.

Zoe received her allowance but me and Leah are still waiting. I checked my bank account again this morning but there is still no payment.

Would you please be able to look into this for us as soon as possible, the hotel menu is very limited and unhealthy with only a couple of vegetarian options.

Many thanks,

Jenny and Leah
