Hello Mr Patel

I apologise for the late reply to your email.

The redecoration of the refuse chute room and staircase were not part of Rydon's contract. In order to get them to concentrate on getting the existing works finished, a decision was made to organise this work separately and when they have left site.

I note the comments about the paintwork at your landing, and have asked our clerk of works to look at this.

Are you coming to the session on the remote heat metering tonight at 6.30pm?

Or are you coming to see some of the new flats on Thursday from 3-6pm?

Thanks

Claire Williams
