Simon

For information.

Do you want to knock on [REDACTED] door to remind them re the asbestos works – as this is holding you up?

Simon

As discussed, at Grenfell tower the main contractor, Rydon, undertaking regeneration works has found many peeling ceilings, and surveys and quotes have been received via Repairs Direct from Express.

At the moment I have some certifications outstanding, which will enable Rydon to continue their works – so are awaited urgently.

These are for flats:

 , 152 which I believe are completed  
due for completion imminently  
survey requested but I suspect that the order is stuck in the system

If you can help Simon with any of the above certifications this will help a lot.

Thanks
