Dear Judith / Robert

I haven't hear from you or indeed and councillor about what is happening to us, what we are hearing is that the council are saying is they are going to offer some of us housing outside the borough and if we refuse it then we are deliberately making ourselves homeless, please please give me some assurance that this isn't true, can someone from the powers that be come to visit us at the rugby club (the Grenfell tower hub) to speak to people about this and put our minds at ease,

Regards
Willie

Of course. This out of borough stuff relates to temporary accommodation, not permanent accommodation.

Thanks Judith

But I really don't want to leave the locality, I don't mean to be awkward but there is absolutely no way I will ever step inside a tower block again, I truly could not bear it, I don't know what this has done to me mentally but I can hardly look at a tower block I start to shiver, I know you will do your best for us, also Judith when you and whoever is helping you with this please take into account that I think I'm entitled to a three bedroom accommodation, as there's me Mary and my two grown up daughters, I know you'll be on my side in this.

Regards

Willie

Sorry, Willie – I have just seen this. What this statement meant that instead of housing people in faraway places like Chelsea or World's End they would be put closer to Grenfell in places like White City, North Westminster and South Brent. But we will demand better than that for Grenfell survivors.

But I'm sure T, May intimidated that with the help of neighbouring boroughs the victims will be rehoused ?

The government has given a commitment that all the survivors of the Grenfell fire will be rehoused in the local area and we will keep them to that commitment.

I hope this helps.

Kind regards

Hi Judith

Thanks Judith for your prompt response, I can only speak for me and my family, if by being put in a hotel and then no communication regarding being rehoused is being properly treated all I can say is the council don't have a f*****g clue about treating us properly, we have been informed that we will be at this hotel until the 26/06/16, once again Judith thank you.

Yes I will - but can you let me know what assurances you have had so far from the Council? Whenever we ask them they give us cast iron assurances that all the survivors of the Grenfell Tower fire are being properly treated. Cllr Atkinson is assiduously following up this question with the Town Clerk.

Kind regards

Judith

Good morning Judith

Thank you, we're in a hotel in Earl's Court but we don't know if we'll still be here at the end of the day, nobody's telling us anything, could you please try to find out what's to happen to us, we would be grateful for any help with this,

Regards

Willie
