Grenfell Community Unite – Why are we waiting?

Posted on April 16, 2015

You would think that Claire Williams and her cronies at the TMO would be professional enough to respond to emails and treat the legitimate requests of Grenfell Community Unite with a modicum of respect.

Not a bit of it... this mob reckon they can get way by ignoring us!

Time for another residents meeting to remind the TMO/Rydon that we want to be heard. Plan for Grenfell Tower tenants, leaseholders and renters to meet in the Community Rooms at 6.45pm on Tuesday 21st April. Pilgrim Tucker from Unite the Union has agreed to come and help facilitate the meeting and discuss how Unite can strengthen us and assist our struggle if we join Unite Community.

Below is a trail of emails that have followed our original request to meet with the TMO/Rydon and sent to Claire Williams on 6th April. We have now been kept waiting two

Mr *****

I apologise that I will not be able to respond to this email today, as my colleagues in resident engagement are involved and have asked for input into the response. I am mindful that an early response will be useful to all parties, so I will try to ensure I get their feedback soonest.

TIME THE TMO STARTED TO CHANGE THEIR ATTITUDE AND STOP PUNISHING RESIDENTS IN GRENFELL TOWER. IT WONT BE LOOKING TOO GOOD FOR THEM IF WE GO TO COURT AND THE JUDGE GETS TO SEE HOW THEY HAVE BULLIED US AND DESTROYED OUR HOMES.

GRENFELL COMMUNITY UNITE HAVE BEEN ENTIRELY WITHIN THEIR RIGHTS AND ACTING IN A REASONABLE MANNER IN ASKING FOR A MEETING WITH THE TMO/RYDON. ONLY A SET UP SIMILAR TO RACHMAN COULD DENY US THIS REQUEST.
