That's what I thought too.

Mark?

Hello John – was this the agreement – I was not on the call?

Thanks

Gwyn

Hi Gwyn

I understand from Braz that this costs is to be split between your cost centre and Panels.

Is this correct?

If you could confirm then I will transfer across

Thanks

**Subject:** Fire testing costs

Hi Katie, as discussed costs for non-com 8414 tests to be split between Gwyn Davies divisional Insulation and Mark Harris Kingspan Panels.

Al-Futtaim Exova Testing and report: £ 16,580 x 2 = **£33,160**  
Stonewest HK assemble, dismantle and remove waste: £13,842 x 2 = **£27,684**  
BML 60 ACM materials: **£5,736**  
Vitracore G2 ACM materials: Gwyn has already paid for these  
Rockwool Duoslab 180mm: £3,967 x 2 = **£7,934**  
Versapanel: **£505**  
Plasterboard: **£541**  
SFS steel work: **£1,494**  
Flights: £650 x 2 = **£1,300**  
Hotel: £500 x 2 = **£1000**

**Total cost for 2 x 8414 tests Exova Dubai = £78,813**
