Subject: SITREP Update

Chris

Just to confirm following reports from the borough, no issues of community tensions have been reported. This has been a consistent message from both BECC reporting and the first Prevent report received.

BECC's are stood up until 2000 tonight and have been asked to report by exception any issues of community tensions.

The BECCs are also working through the support to the Grenfell Tower in terms of mutual aid.

No other issues at this stage to report on.

John
