Tom,

Great work pulling this together. I think the role is wrong. Ideally we want to just 'second' them to a function like the FFAC or DCLG support where they can use their expertise in a generic way. We cant bring them here to be a liaison officer.

Hello All,

To confirm, here is the current staffing rota:

	Agency	T 22/06	F 23/06	S 24/06	S 25/06	M 26/06	T 27/06	W 28/06
AM	EA							
PM								
AM	Kent	Tony Harwood	Steve Scully	Steve Scully	Lisa Guthrie	Tony Harwood	Tony Harwood	Tony Harwood
PM		Lisa Guthrie	Lisa Guthrie	Fiona Gaffney	x	x	Lisa Guthrie	x
AM	Surrey	Mike Underhill (Mark Smith)	Alan Morris	Esme Cole (until 12:00)	Alan Morris	Ben Brungs		
PM		Ben Brungs (David Storey)	Esme Cole	Ian Good	Ian Good	Laura Sweatman		

Location: (LLACC) T Drive, North Kensington Fire\LLACC FOLDERS\Administration - Staffing\LLACC Staffing and Rota Issues\Other agency support to LRG staffing.xlsx

It runs from Thursday for one week, but Surrey are considering staffing for a further week and Kent will consider further shifts if asked. We can liaise further when we see how the first couple of shifts go. Blanks are to be filled – awaiting responses and x's are where no staff are available. Not sure what the names in brackets are – shadow or may turn up too... I will confirm. (We didn't hear back from Sussex).

Having worked with, or at least met, most of the people on the rota, I am sure they will be of benefit to our operations, if there is sufficient for them to do.

I have suggested a role description, attached, happy to consult on it.

I will be in SOR tomorrow and back in tomorrow evening, so please can the supervisor ensure that they get up here and connected.

Thank you,

Tom Brady
