Further to my statement dated 14th March 2018, I would like to add that I am not currently financially, commercially or personally linked to Nan Ya plastics Corp or Distinction Doors, however approximately 20 years ago, LB Plastics were a minor shareholder in a Malaysian business, in which Drew WRIGHT was also a shareholder. That company was wound up and Drew WRIGHT subsequently became an employee of Distinction Doors and has since become a director of that company. LB Plastics/Manse Masterdor have been a customer of Distinction Doors for many years, but have never been linked financially, commercially or personally to them and have only ever been a customer to Nan Ya, via Distinction Doors.
