Subject: Grenfell - Part L

Associated Documents

created by: **Michael McMillan** on **15-Sep-17**

Chwee.chen,

Following on from Phillip's e-mail summarising outstanding issues, I have attached our Part L assessment.

This addresses issues which are building related as well as M&E so I think it should form part of the main contract scope of works.

The Contractor should be advised that this is our assessment, but they will be responsible for developing, agreeing and implementing this to obtain approval from Building Control.

Duncan.
