No, that wasn't my plan, just me, and an informal chat. Would that be ok?

Hi

You may already know about some of the concerns that residents in Grenfell Tower, on the Lancaster West Estate, have around the works that are being undertaken in their flats. A good number have joined Unite Community and we are working with them to try and help get the issues resolved.

I wondered if it might be possible for any of you to meet with me for an informal chat about the situation there, and how it might be resolved?

If you could let me know if that's possible that would be great.

Thanks very much

Pilgrim
