Yes, I had a suspicion in the back of my mind that the 9th might not be possible for you. It is important I believe for Peter / TMO to start meeting and consulting with residents of the tower. So I thought it most important he could come as soon as possible, and I knew you might not be able to attend when he could. Your presence at the same meeting would help with the behaviour and attitude of one and all; in your absence we will need to find other ways to get that right – all good I am sure.

I did let you know earlier (see below) that I am not free on 9 September. I have asked Robert and will get back to you.

David

I can meet on 2nd but not 9th September.

I was sorry to see some matters on your outstanding list that I have already raised with the TMO. I will follow all this up as Cllr Atkinson is now away .

It would also be helpful if Ms. Edwards can send us the constitution and other arrangements for establishing a Compact.
