Hello Judith.

As a resident of Grenfell Tower and a member of the group that meets every Wednesday, and I have also met with you at your surgery with the rest of the group, may I just say thank you for your help in the last couple of months or so, I am writing this email because I don't think we would have progressed as far as we have without your aid and to ask you to please continue to aid us in our cause, once again thank you.

William Thompson.
