Subject: Meeting Today

Dear Judith,

Thank you for meeting with me today.

I have asked Janet Edwards to write to those residents that approached us to let them know we would be happy to work with them on the set up of a Compact for Grenfell.

Janet will send you a copy of the letter which I have asked to go out for Friday.

We agreed it would be good for us to jointly attend these meetings and that any notes or correspondence generated from the meeting would also be jointly agreed before being communicated with residents.

You also mentioned this morning that you would like to get a newsletter out to Grenfell this week. I am [REDACTED] and so I would ask that you allow us to comment on any content relating to the regeneration works before it is distributed. Please could you forward your draft to Janet Edwards and Peter Maddison. Alternatively I am back on Monday.

It seems like we are making positive progress and hopefully residents will be pleased with the final outcome.

Regards

Sacha
