Dear Ms. Johnson

I am not sure when the 3 working days started from.

I have two comments:

the response should explain why residents should contact their own insurers, since the fault lies with the housing provider. They do not understand why they should potentially lose their no claims bonuses, for example, for reasons beyond their control.

I don't think every resident will understand what is said about "procurement", including what "provurement" means, and the two processes followed by the Council. It would be good if these could be clarified.

Many thanks.

Subject: Grenfell Tower Petition
Dear Councillors

Please find attached copies of the recent petition on Grenfell Tower and a draft response from Ms Laura Johnson, Director of Housing.

The petition contains 94 signatories raising concerns about the Grenfell Tower power surges and the delay in commencing the Grenfell Tower regeneration project.

The response is being circulated to Members of the Housing and Property Scrutiny Committee and ward Councillors in accordance with the protocol for the handling of petitions.

Members of the Scrutiny Committee and ward Councillors are asked to consider the draft response and respond with any comments within 3 working days. These comments will then be considered by the Director of Housing and the Cabinet Member for Housing and Property before a final response is issued.

I will be collating the comments on behalf of Ms Johnson for consideration and look forward to hearing from you.

Many thanks

Amanda Johnson
