Dear Councillor Blakeman

Thank you for your e-mail raising concerns about rubbish in the entrance lobby of Grenfell Tower.

I would advise that the Neighbourhood Manager for Lancaster West confirms that these items have been removed and this area is now clear. Further, the Neighbourhood Manager has agreed to increase the frequency of inspections of this area to ensure that it is maintained free of obstruction and any dumped items are removed promptly.

Please advise if you require anything further from me.

Regards

Janice Wray

Dear Ms. Wray

Can someone please look into this as quickly as possible? I have already forwarded the initial mail to Complaints.

Many thanks.

**Subject:** RE: Health and Safety at Grenfell Tower-Fire risk!

Dear Judith,

I am very sorry to trouble you but I am concerned at the build up of household rubbish in the entry/exit of Grenfell Tower and believe that this constitutes a serious health and safety risk.

I have had no response to the email that I sent to Sasha Jevans yesterday and no action has been taken by the TMO workers on the Estate to clear away the rubbish.

Please might you be kind enough to drop the TMO a line and ask them what they intend to do about the build up of dangerous levels of household rubbish in the entrance/exit of Grenfell Tower?

Thank you for your assistance with this matter.

Kind regards,

Edward
