The EMB rooms are to become offices for the staff and we move across the way to where the caretaker's office currently is. This is being converted to become a facility for the residents.

Subject: RE: Grenfell tower - newsletter to residents

Dear Ms. Williams

I have just now read the newsletter. Can you please confirm:

- A, that the Grenfell Under Three's Project will be moving back into Grenfell Tower once the new nursery is ready; and
- B. that the boxing club will be moving back into Grenfell Tower

... as was previously agreed. A number of residents have told me that they have heard that neither facility will be returning to the Tower now and the newsletter is ambiguous on both these points.

Kind regards.

Cllr. Judith Blakeman

Subject: Grenfell tower - newsletter to residents

Dear Cllrs Blakeman and Atkinson

I attach the first joint newsletter with Rydon for your information. Can you please pass this onto Cllr Lasharie? I note this was hand posted through letterboxes at Grenfell just before lunch today.

It is anticipated that contractor Rydon will start doing their resident profiling in the next few weeks so that they get to know the residents and any issues they have that may impact on the works. This will be while the project team are getting on with other issues, including getting the planning conditions discharged (ie the cladding panels).

I understand that Siobhan Rumble, the Neighbourhood Manager at Lancaster West has already talked to you about your surgeries moving to the local refurbished 'estates services office' which should be up and running by the end of this week.

Kind regards.

Claire Williams
Project Manager
