Hi Judith,

Regarding this afternoon, are you at a meeting or would you have any time available for door knocking (probably with me if you do).

David

Dear David

This is brilliant.

My diary is a nightmare at the moment. I am waiting to hear if I have a meeting on Friday afternoon but if not I can do some door knocking then. Otherwise I have surgery on Saturday morning and Labour Party campaigning in the afternoon. But Sunday is fine as well and possibly some time on Monday morning.

Hi all,

Please find attached blank copies of the Petition, and questions we developed at last night's meeting.

As we agreed, the following people are taking responsibility for canvassing opinion on the following floors:

- Floors 19 to 23: Marcio (with David)
- Floors 13 to 18: Eddie (though he hasn't agreed to it yet, that's what you get for not being at the meeting with jet lag ;)

- Floors 8 to 12: Antonio
- Floors 7: Turufat & Betty
- Floors 3 to 6: Hewe & Meron

I will deliver printed copies of the documents above through your doors today.

Judith / Clare, I believe you are both willing to help canvassing floors. As we would like to door knock in pairs, it would be ideal if you could help Antonio or Eddie, or knock together as a pair. Who you help will probably depend on when you are available, and if you have more than one time you could help over the next few days. You may end up knocking on doors with me too, as I may take on 3 to 6 too, as Hewe & Meron may not be able to knock those doors until Sunday. Please could you reply to let us know what slots you could help (for instance Friday morning, Saturday after 3pm, or Thursday evening)? Then I will match people up!!

It is our intention to reach everyone in the Tower before the end of the weekend. Ideally we will be able to try each floor twice (day and evening) in that period.

I have also attached a copy of who has already signed for information. Please knock on those doors too, as we want to ask the questions as well as get the signatures on the petition. We are doing this so we can gather evidence about how the works have been managed and led by the TMO, so we can ask for proper consultation for other blocks in the Borough, and for TMO to be held accountable for their actions to date towards the people of Grenfell Tower.

Please keep in touch with how you are getting on, so I can keep track of how we are doing I may check in with everyone too :).

Speak soon,

David
