Dear Judith,
Sorry to hear that [redacted]
Monday morning would be great [redacted] but I wondered if we could aim for around 9.00am or 9.30am as i have an appointment later in the morning?
If you want [redacted] before confirming then that will be fine.
Kind regards,
Edward

Dear Judith,
I hope your well.

Willie and I wanted to see if it was possible to meet with you for a coffee early next week in the Sports Centre?

We have just received some very worrying news about the gas situation at Grenfell Tower and how previous actions by Rydon could have led to a serious gas explosion.

In addition, we would like to update on previous concerns that we have raised.

Hope you have a good weekend.

Kind regards,

Edward
