---	--	--

1. Water pressure better. Some glass scratched. TMO change doors.
2. Would love it moved. We / people walk in to it.
3. Scratched floor damage
4. Things damaged but replaced. Not happy with standard of carpentry.
5. Glad it's all over with, when is it going to finish? No further disturbance (i.e. Rydon/TMO) wanted.
6. Walk in to it. Joint mechanism on windows has broken twice.
7. They leave place in a mess. Happy with Linda only. Others lie. Siobhan no. If don't have done, no water.
8. Not want aggro. It's been bitty: not done in one go, back & forth. Rydon v good.
9. Ceiling too low for me to use the shower now. Damage to wall, shower railings, broke toilet seat. No regard.
10. Friday start. Threatened would be taken to court if they didn't let them start on a Friday. Heating on 30 all the time. Wrong holes made in kitchen.
11. Catch clothes etc. on wood finish. Young nephew bumps his head. Burnt floor. Not making good kitchen panels.
12. Fight against TMO, not Rydon. Rydon OK, keep promises, TMO awful. Unhappy with TMO.
13. Not happy, does not feel listened to. Old boiler has been left and not removed.
14. Listen - yes. Respond - no. Damaged tiles (£)
15. Furniture won't come out. Electricity double what it was before. Workmanship on wood finish poor. Concerned about escape, water, electricity, etc.
16. No hot water for a couple of weeks. 20-30 years here. Water damage through flat ceiling.
17. Not outside flat. Painting stairs and rubbish areas?
18. 5 days off work (didn't come)
19. Had to fight with Managers. Can't be bothered to move it. Blinds. Legislative sound levels exceeded by drilling - Rydon denied.

60 people signed the petition and are not happy. They want an investigation.
