Apologies, Siobhan. I was asked by a couple of residents to contact everyone as they had tried to ring Mr. Black and failed.

Subject: Loss of Electrical facility at Grenfell Tower

Dear Mr. Black

I have just taken a telephone call from Mr. Ahmed of 156 Grenfell Tower. He advises me that as of this morning he has lost everything electrical in his flat, all his appliances including his refrigerator (so he will also lose his food) and even his lighting.

I think this problem has been allowed to continue for too long now and the TMO must take immediate and urgent steps to address matters as well as accepting liability for all the electrical goods that residents have lost as a consequence. Most of the residents of Grenfell Tower are on very low incomes and replacing lost goods themselves in advance of any successful insurance claim will be impossible.

I look forward to receiving a very swift response from you.

Many thanks.
