Subject: Re: Grenfell Tower Delivery

Sorry Judith, I've not checked emails for 2 days, had a thick carpet put in yesterday [REDACTED] so a lot of drama.

Dad said you called to say no delivery today, let me know when you want to do it.

Is there any chance if I come to you after surgery tomorrow that we could together deliver a leaflet to Grenfell Tower? It won't take more than 15 minutes at most.
