... and if they lose their tempers!

Good luck to them; afraid I am not available to attend this evening.

Hope Samantha is coming....

I have to be in Scotland for personal reasons, visiting my mum, but have set up Eddie and Willie to take the group through the process of setting up the Compact.

Might be tricky if Samantha isn't coming...

Dear Janet,

We have our meeting to formalise our Grenfell Tower Compact tonight.

Samantha de Haan is due to attend and walk us through that process, but I have received no response from her in the past two weeks (to an email and a voice mail message).

I am not sure if you are the right person to ask, but could you check that she is going to attend, and ask her to call me? I am travelling by train this morning, so afternoon may be a better time to reach me.

Thanks,

David
