Yes. There appear to be a number of issues around the energy contract, and also the engagement and communication to residents such that people can use the new system.

Many thanks David. May I attend as well? A big issue seems to be emerging about the Wilsons contract and I have asked the TMO for full information about it.

Kind regards.

Dear Monica,

In terms of you meeting with residents who have had issues with the GT improvement works, I think it would be a good idea for you to attend the upcoming residents meeting at 7pm on 3rd May 2016. The meeting will be held in the Lancaster West Community Rooms. Please let us know if you can make it.

Best Wishes,

David
