Councillors

I attach the notes from our evening meeting of last week. This has been put up in communal areas and will be posted through doors tomorrow (Friday 27 Sept).

I will update you when the next meeting is due, and we have also committed to provide a 'show flat' which will have the new heating system proposed installed as a mock-up for residents to understand how it will work.

Please let me know if you have any comments or queries.

Thanks

Claire Williams
