Camilla

This is from us both:

"Labour councillors welcome this much needed regeneration of Grenfell Tower. Grenfell Tower has been neglected for many years, desperately needed repairs have been done at the last minute and residents continue regularly to endure the loss of hot water, single-glazed windows that no longer fit properly and flats that are over-heated in the summer - and recent unaccountable power surges have damaged all their electrical equipment, with only minimal compensation being offered. It is unfortunate that the works will not be completed before the new Kensington Academy is open and we hope that whichever contractor is chosen will deliver the project on time and to the highest quality. Our residents deserve no less than the best."

Dear Camilla

Please find attached some news about the Grenfell Tower regeneration project.

KCTMO begins search for top contractor for prestigious refurbishment contract

The £9.7million Grenfell Tower Regeneration project in the Royal Borough of Kensington and Chelsea takes another step forward this week with the call for contractors to submit their pre-qualification applications.

I am sure you will be busy with the Carnival this weekend, I hope it all goes well.

Kind regards
Thea
