Hi Judith,

I found out about this through residents and when I saw Eddie in the office yesterday I asked him about it, he was reluctant to say anything so I told him he was rude and dividing the residents and that's not good if we are to work as one, he started laughing then slagging off the TMO before telling me it was nothing personal against me. I had a meeting last night and Virginia said apparently its for Grenfell only so a lot of residents are very unhappy
