Thank you – and I meant to say “unauthorised event”.

Dear Councillor Blakeman

I will get someone to expect the park Monday. I will get back to as soon as I know next week.

Kind regards

Rebecca

Dear Ms. Blackburn

Many thanks. I do not believe this event is on private land. We have been told that it is to be held on Lancaster Green, which is a Council park. The Lancaster West Residents' Association was very disappointed to be told very late about this event and that it is open only to residents of Grenfell Tower. They could not understand why the rest of the residents of Lancaster West Estate could be excluded from an event on their local park.

I appreciate that we only found out about this very late in the day so there was little that the Council could do – but a lot of money has recently been spent on Lancaster Green and I

do hope that it will not be damaged by an authorised event taking place. Will it be possible to have an update next week?

Kind regards.

Cllr. Judith Blakeman

I left the office early to see my son, he's been away with my parents for a week and wanted to get the email out with my signature on it.

Below is the email I sent.

I will forward any replies to you.

Rebecca

Dear Ms Tucker

Please could you spare the time to give me any documentation regarding the event you are running tomorrow. The events team would have wanted prior knowledge of this event. I understand it is on private land but due to the presence of food and ponies there is an issue around health and safety which our Environmental Health team would of liked to investigate.

We do not want to stop the event but we do want to make sure that all risks are mitigated. Please make sure all Ponies are restrained at all time and are never left unattended and also please ensure that any food produced is done safely and avoid contamination.

Next time please ensure you contact the council's events team at specialevents@rbkc.gov.uk when holding such an event.

Kind regards

Rebecca Blackburn
