**Attachments:** grenfell tower regeneration november.pdf

Dear councillors,

This is the latest newsletter – which will be put through residents' doors this afternoon.

We have booked an evening meeting for 14 November from 6.30 -7.30pm to update residents, please see the agenda on the second page. I do not know if you are interested in attending?

We did not publish a newsletter in October as we were busy doing more detailed design work for the tender – due to go out later this month!

We have this week had our Key Decision report for the Unilateral Undertaking (as part of the S106) agreed by Cllr Feilding Mellen and Cllr Husband, I understand it takes a couple of weeks to enact and that when this is in place the planning approval can be given. I have seen a draft of the planning conditions report and have passed this to our design team, and am not aware of any issue which would prevent our going to tender as planned.

Please let me know if you have any queries, as well as whether you are attending the evening meeting.

Regards

Claire Williams  
Project Manager
