Cllr Blakeman

As I said in my previous email I am unable to provide you with copies of the objections. The objections have been made on the following grounds:

Objection to the fact that residents have not been more fully involved in the issue of the removal of the GT canopy and the need to permanently lock up our windows if the canopy is removed.

Objection that the residents of Grenfell Tower have not been allowed more of a say in the type of windows that will be installed.

Regards

Edward George

Yes please - are you able to send me electronic copies of the two objections?

JB

Cllr Blakeman

There have been two objections to the application. However these are not available to view on the website, and would only be made available when committee papers were published or following the decision. I can brief you on the content of the objections if that would be of help?

Regards

Edward

Dear Mr. George

Thank you.

I generally have difficulty accessing planning information via the Borough's website. Can you therefore please let me know whether there have been any comments or objections to the current planning application for the Grenfell Tower refurbishment and, if so, can you let me have the link to where I can find them on the website?

Many thanks.

Cllr. Judith Blakeman

Dear Cllr Blakeman

At the time when I responded to Mr Daffarn, I was awaiting a draft legal agreement to be raised; however the legal team for the applicant (TMO) had not been properly instructed. However since then, there have been further negotiations and it is in my court to move this forward. What I would say is that it should be resolved fairly quickly now.

Regards

Edward

Dear Mr. Maddison and Mr. George

Is any of this correct?

Kind regards.

Cllr. Judith Blakeman
