Subject: Lancaster Green

Dear Ms. Johnson

I was told by the Council's Events Department that Saturday's Grenfell Tower Funday was taking place on private land. It seems that they may have been misled, since the Funday took place on Lancaster Green. In the event, the Green was properly cleaned up afterwards and I did not notice any damage to the grass or new plantings.

I did suggest some time ago that the Council should put up the standard Council Parks notice at Lancaster Green to highlight that it is a public facility. Can you please reiterate this request to the relevant officer/s?

Many thanks.
