Dear Judith,

Thank you. I can confirm that I haven't received a copy of the report.

I also have not received any correspondence from Claire Willams with regards the TMO survey.

I wondered if you have been able to raise the fact that Ms Williams claims that she shared the survey questions with lead reps seems to have been unsubstantiated?

Regards,

Edward

I am told that the TMO have agreed to release the report and that it has been sent to "the appropriate residents".

Have you received it?

Judith
