Dear Ms. Semi-Lou

Apologies for the delay in replying. I was holding dates for a lot of people and could not reply earlier until they had responded.

Can I suggest that 3 pm on Thursday 25 July would be the best option or this meeting?

Kind regards.

Cllr. Judith Blakeman

Dear Councillor Blakeman

Attached is a briefing note that gives an update on the current position.

The incoming mains has now been renewed.

No further surges have been identified. We hope that the problem is solved.

All compensation claims have been referred to our insurers and we are pushing for a timescale on the claim.

We are currently preparing to write to all residents who have claimed compensation to give an update on the process and likely timescales.

Please let me know if you need any further information, or specific questions.

I have asked Sally Semi-Lou to set a date for you and I to meet and agree how best to work together on Grenfell issues looking forward. I hope this is helpful.

Yours sincerely

Peter

Dear Mr. Maddison

Representatives of the Grenfell Tower leaseholders are coming to see me at my councillors' surgery this coming Saturday and I would be grateful if you can let me have any updates that are available, particularly when residents can expect to have their damaged electrical appliances replaced.

Many thanks.

Dear Editor,

Please find attached our response to your article 'Grenfell Tower residents at breaking point after power surges blow household appliances' published on 4 July, which gives an inaccurate account of recent events at Grenfell Tower.

I would also like to point out that the photo which was used with the article is not accurate either, the protesters shown in the picture are protesting over another issue and not about the power surges.

I would be grateful if you could please use the information provided in this letter and publish the accurate information.

Kind regards,

Peter Maddison
