Dear Cllr Atkinson,

Thank you very much for your positive and supportive response to our visit to your surgery on Saturday and we appreciate the efforts that you and Cllr Blakeman are making on behalf of residents.

Thank you, also, for pointing out that the Lancaster West RA are holding a meeting in the Community Rooms on the 4th November that will clash with the date that Peter Maddison has put forward for the TMO/Rydon to meet with the Grenfell Tower RA.

Our colleague, David Collins, has kindly agreed to contact the TMO and ask them to find an alternative date for the meeting scheduled for the 4th November and we will cc you into this email as we would very much like either you or Cll Blakeman to be present at the rearranged meeting.

Finally, thank you for agreeing to write to residents to show your continued solidarity with our plight and to let them know that they need to request your assistance re getting boilers removed from hallways.

I am away [REDACTED] but will have access to my emails.

Kind regards,

Edward

Dear Edward ,

Thank you for this . I have just gone over everything with Judith . She will reply in detail (Though in addition to [REDACTED] her computer is out of action this weekend so it will probably not be until Mid week before she gets back to you) .

But just to immediately confirm that: a) we both think that a letter from Councillors to residents putting forward our supporting views and crucially inviting residents to detail their complaints and problems to us (rather than wait upon the end of work survey). is an excellent idea. And b) One or both of us will be happy to come to thbe meeting on November 4th . Thought there may be a clash of interests over the room booking as The Lancaster West Residents association has notified us that they are having a meeting the same night . Have you definately booked the room ?

On a personal note I note that you are going to be away [REDACTED]

Dear Cllr Atkinson and Cllr Blakeman,

Please accept this response from Peter Maddison that you requested to see (as we discussed at your surgery this morning).

Thank you, also, for considering our request that our Councillors write a letter to the residents of Grenfell Tower indicating your ongoing concern and support and informing residents that they need to contact you without delay if residents want to pursue the option of having their boiler moved from their hallway's. You will see that Mr Maddison's email suggests a meeting between residents and the TMO for the 4th November and we would very much like you to confirm that one of our Councillors will be able to attend this meeting?

We believe that the aforementioned meeting will be taking place in the Community Rooms around 6.45pm but this will need confirming.

Thank you for considering these matters.

Kind regards,

Edward
