Subject: Steve power 122 Grenfell Tower

Complaints team,

Could you please explain to me why Mr. Power has had no toilet in his flat since December 2015?
An appointment was booked to resolve this yesterday and no one showed up to his property, he waited all day and was then told that the contractor couldn't access the building. Why has this not been addressed sooner?

I look forward to hearing from you.

Best,
Cllr. Lasharie
Notting Dale Ward
