Dear Cllr. Judith Blakeman,

**Ref: Grenfell Tower Regeneration Project and recent power surges at Grenfell Tower and standard of services provides by the EMB/TMO at Grenfell Tower**

Could you please confirm whether you are invited to the residents' events tomorrow at 6:30pm? You know better than anybody else that there is no local advocacy (apart from GTLA, GAG and RA) to represent the residents, because the EMB has been non-functional since December 2012.

Also please could you let us know how you as our local ward councillor, along with your colleagues plan to assist and offer your support in relation to GTRP and the recent catastrophic power surges and sub-standard of services provided by the EMB/KCTMO to the Grenfell Tower for more than two decades.

We wait to hear from you as a matter of urgency

Best Wishes

**Tunde Awoderu**

**The Vice Chairman**
