Subject: Urgent Grenfell Tower - Response to Press Article
Attachments: Grenfell Tower.pdf

Dear Editor,

Please find attached our response to your article 'Grenfell Tower residents at breaking point after power surges blow household appliances' published on 4 July, which gives an inaccurate account of recent events at Grenfell Tower.

I would also like to point out that the photo which was used with the article is not accurate either, the protesters shown in the picture are protesting over another issue and not about the power surges.

I would be grateful if you could please use the information provided in this letter and publish the accurate information.

Kind regards,

Peter Maddison
Director of Assets and Regeneration
