Dear Councillor Atkinson and Blakeman

Thank you for your e-mails which I have just read.

I would just like to clarify the reply from Katherine Dack our Complaints Manger is an acknowledgement of Cllr Blakeman's e-mail and was not intended to be a full reply.

This confirms Peter Maddison will be responding to this in full and will address all the points in her e-mail. I expect this to be completed tomorrow.

I hope this clarifies the matter

Best wishes

Robert

Dear Mr Black,

I too am disappointed by your perfunctory reponse to the serious and substantive report sent to you by Cllr. Blakeman and wish to support Cllr. Blakeman's response as forcefully as I can . The large delegation of residents who attended our surgery were polite, eminently reasonable and appear to be truly representative of the majority of the residents. I urge you to take Cllr Blakeman's detailed report seriously.

It almost appears that the TMO has taken the unrepresentative and disruptive behaviour of a singler resident as an excuse to ignore the serious complaints of the majority of other residents.

It is important that a senior representative of The TMO attends our next surgery. I expect that an even greater number of residents will be in attendance and what they want is a reasoned dialogue . Newsletters and written correspondence isnot enough

Sincerely
Cllr Robert Atkinson

Dear Mr. Black

I do hope that this response does not mean that the TMO will be expecting ward councillors merely to act as a conduit to residents for your responses to our detailed enquiry? I think we have been doing that for long enough now. It is time that we had some support from the TMO itself and that you and Rydon will be able to send a representative to our surgery.

Kind regards.

Cllr. Judith Blakeman
