Subject: GTRP newsletter update in the lift of Grenfell Tower

Dear Mr Peter Maddison,

This is to inform you that why you have changed your tactics instead of distributing the leaflets or newsletter in relation to GTRP to every residents of Grenfell Tower but to stick in the lifts only.

It is rather very inconvenience for the residents to read the two pages of your update in a minute while someone is in the lift for many reasons. It is small print as well. You don't expect the residents to understand your complex procurement project you claimed to be within a minute.

Why on earth KCTMO ltd stopped dropping the leaflets to individuals flats to update the residents of Grenfell Tower. We believe that is very extreme measure from the KCTMO/EMB to save money for the KCTMO Ltd when Management fee- Leaseholders along paid by the Lancaster west estate for the financial year 2012/13 were £87,548.00 and an individual contribution were £182.01. What is going on?

We the GTLA would like you to email us the copy of the Leaflets or newsletter as a matter of urgency.

Best wishes

Tunde Awoderu
The Vice chairman
The Grenfell Tower leaseholder's Association

The Royal Borough of Kensington and Chelsea.
