Dear Judith

I can't do Monday 11th April but can do Friday 15th April. Is 10.00 a.m. acceptable at the TMO's offices in Kensington High Street?

I do hope you have now fully recovered from the 'flu. It is a particularly nasty virus this year.

Kind regards

Paula

Importance: High

Good morning Judith

Following on from the Board meeting last week, you said that you had some question in connection with the Board paper on the review of Grenfell Tower.

Rather than putting your questions in writing, it would be a lot easier if we could meet. I am free on Tuesday 5th, tomorrow, or Thursday 7th both at 10.00 a.m. at the TMO's offices.

Perhaps you could let me know please if one of these dates is acceptable to you.

Kind regards

Paula
