Subject: Re; Library party and meet up.

Dear Judith,

What a fantastic birthday party for our much loved library on Saturday. Too many highlights to pick out but shows how much love there is for the library and that we have a strong community who are going to fight for it.

Thank you very much for the generous donation of books that you put towards the event and we will be giving them away as prizes to the winners of our card competition! Much appreciated.

I was just wondering if you happen to be free sometime this week to meet with Willie and I for a coffee somewhere locally (sports centre?) as we have one or two matters that we wish to raise with you. One of these issues (the gas supply to Grenfell Tower) is of some urgency.

I know that you have your surgery this Saturday but it is a busy day for me what with the national library march etc. Most of the issues that we wish to discuss are the ones that we raised with Cllr Atkinson at his last surgery but still not to appear to have been resolved.

Anyway, hope that you enjoyed Saturday's party and look forward to hearing back from you in due course.

Kind regards,

Edward
