Dear Mr Darrarn,

I am pleased to confirm that I will be able to attend the meeting with the TMO and Rydon next Wednesday and hope to have some answers to the 12 points by then. But as I have been in Brighton since we met and have only returned today I have not been able to progress much. Similarly Cllr Blakeman has been tied up with the TMO away day and its repercussions. However I do know that she was very keen to take up the first point (pressure being applied to accept the misplaced boilers) and hope for a response on this at least

Sincerely

cllr Robert Atkinson

Dear Cllr Atkinson,

Thank you for taking the time to meet with members of the Grenfell Tower Resident Association last Saturday.

As you are aware, we are intending on meeting with the TMO and Rydon next Wednesday 7th October and we wondered if you might be able to supply us with a response from the TMO to the 12 points that we raised, on behalf of Grenfell Tower residents, by then?

It will be most useful for our members to have a response to the concerns that we have raised so that we can be pro-active rather than re-active when we next meet with Rydon/TMO.

Thank you for your continued assistance with these matters and we will look forward to seeing a representative from our local Councillors when we meet with Rydon/ TMO, next Wednesday, at 6.45pm in the Community Rooms.

Kind regards,

Edward Daffarn
