

A MOCK EVICTION

Posted on March 5, 2016 by [grenfellactiongroup](#)

At 4.00pm on Monday 7th March, the Deputy Leader of the Royal Borough of Kensington and Chelsea and Cabinet Member for Housing, Property and **REGENERATION**, Cllr Rock Feilding-Mellen will report back from a recent consultation designed to ignore and sideline the wishes of local residents.

It is no secret that the Council has already misled Silchester residents regarding their regeneration plans, so whatever Cllr Feilding-Mellen may say at Monday's meeting there are strong indications that he is preparing to destroy Silchester's homes and residential amenity, and has already engaged consultants to prepare a regeneration plan for the greater Silchester area.

We aren't going to let this moment pass without taking some direct action to show this fascist Council that they can't behave with impunity in their shameless land grab of North Kensington.

Please gather at 'Our House' [REDACTED] at 3.00pm, or at Latimer Road tube station at 3.45pm, to execute a 'mock eviction' outside the property of a despised Tory Councillor who is at the heart of RBKC's hateful and evil housing policy.
