Satellite dishes and communal TV sockets: with all homes who requested it now connected to the new satellite dishes on the roof, the external dishes can now be removed. However, if you still require connection to the new dish, or you need a communal TV socket still, you must let Rydon know by 4.30 pm on **Friday 22 August**. If you do not contact us you will have no TV connection once the external dishes have been removed.

So what's next?

Home visits: our on site team has started carrying out home visits. You will have received a letter advising you of these and inviting you to make an appointment. As we said in the last newsletter, if you do not make an appointment then please expect a cold call. All Rydon staff will be wearing an ID badge and correspondingly numbered hi-visibility vest (for security reasons we cannot show what an ID looks like). If you are unsure about anyone knocking at your door 9-5pm on weekdays, call freephone [REDACTED]

Coffee mornings: these are held regularly. The next ones will be on Thursday 21 August 1pm-3pm and Thursday 28 August 10am-12pm.

Everyone who hasn't yet done so is encouraged to come along and meet the team, ask questions and find out more about the regeneration programme.
