**Subject:** RE: Grenfell Tower: Dale Boxing Club

Good Moring Councillor Blakeman,

The lease was retrieved from legal services on Friday and a synopsis is contained within the attached email.

It seems to have been agreed that the contractor for Grenfell Tower will undertake the Lowerwood Court conversion works for circa £8,000 (which is at cost) and the works have been agreed by the Boxing Club.

The Boxing Club will take a 16 month letting of the Lowerwood Court space at £500 per month to cover the cost of the works that RBKC will initially pay.

Upon return to Grenfell Tower the original lease and all of its terms should continue as before unless the current lease is terminated.

I hope that this helps.

Yours

David Vickerstaff
