I make this statement further to my earlier statement dated 28 June 2019 and in order to clarify the position with JB/1.

In my earlier statement I referred to and produced as my exhibit JB/1 a copy of the agenda of the sub-committee meeting in respect of the appointment of Rydon as the contractor for the refurbishment works at Grenfell Tower. I have not been able to locate that document. I have however located a document which is titled Agenda item 11: Recommendation to note the outcome of the Grenfell Tower procurement and to agree the appointment of the preferred contractor. This document was presented to the TMO Board meeting on 27 March 2014. It essentially reports on the outcome of the procurement of the Grenfell Tower Regeneration Project and recommends that the Board agrees to select Rydon as the preferred contractor. It follows on from the sub-committee meeting that I referred to in my earlier statement and the document is to the best of my recollection the same content wise as the document I referred to as JB/1.

I now exhibit this document as my Exhibit JB/13.
