That's fine
I'm going to call Claire tomorrow and go through what we are proposing re the H&S File as it needs to be completed correctly
Best Regards
Steve

Steve,

Many thanks and I see no problem with the first part of the meeting being your update.

Hi Steve,

That's ok I'll see you there.
I'll have to move a few appointments around but no worries.
Can you do my bit first so I can get away afterwards?

I'll contact you tomorrow morning re what's outstanding but it's pretty much just the completed finishes schedule from Dave
I've got to produce a complete maintenance schedule from this document.

I'm also producing a H&S File from the information I already have as the Client doesn't seem to think it's their responsibility under the CDM Regs (it is!) It will be on the USB stick I'll bring to the meetin I just want to fill in the gaps where necessary so you can get your handover

Kind Regards
Steve
