Hi Ash,

Could you complete the Fire Authority consultation process as follows:-

If necessary obtain the FP number fro the area surveyor (John Hoban).

In Acolaid:-

1. Obtain prints of the attached plans at A1 size.
2. Create the LFEPA draft letter based on my draft.
3. Add cc items, the drawings, my obs and the applicants documents attached.
3. Add my MOE observations to the end of the LFEPA letter.
4. Create the LFEPA draft form based on my draft.

Check the above me and then send to the LFEPA.

Please, send me the consultation combined as one pdf including Letter, form and plans.

Thanks
