Robert

Please see the attached, recently forwarded to Stuart and me by Rob Davies.

There are plainly important matters to be resolved. I have nothing to contribute on substantive issues. But I am bemused that:

- it is dated 9 December yet would appear to have reached Rob rather later than that. When did the TMO or the Housing dept first have sight of this?
- it appears that you have 21 days for appeal but from when?
- nor is it clear to me by when any remedial action needs to be taken as there is a + where I would expect to find a date.

Might Rob be able to offer any advice on these points?

Dear Gents,

Happy new year to you both, please see attached the enforcement notice that has been sent by the Authority for Adair tower, I had hoped that I would have sight on this beforehand and would have time to set up a meeting to discuss with Robert Black, unfortunately the Brigade has sent out already and I have just received notice.

I thought that I should give you a heads up on it, I am also led to believe that in the system somewhere is an identical notice for the sister block Hazelwood tower.

My apologies that I had not got prior notice to this and I am happy to discuss the contents further should you need.

Kind Regards

Rob Davies
